

Dhole Patil Education Society's

Dhole Patil School For Excellence

Teacher's Training and Developmental Plan

Teacher Training programs help teachers become competent and effective professionals in the classroom. Teachers at Dhole Patil School For Excellence undergo rigorous training programs throughout the year

Subject specific workshops to refine the teaching skills of teachers about their subjects and to add to their knowledge bank the latest updates, subject experts are invited in school. We aim at identifying their weaknesses, work on them and strengthen their skills.

- Regular class observations by the Principal , HOD's and Observation Committee help teachers to work on their weaknesses and take remedial measures
- Teachers undergo subject tests to challenge their subject skills annually twice
- Training at the commencement of the year on general topics like ' Class Room Mangement' ' Remedial Measures for Weak Students' ' Counselling of Students' ' Writing quality lesson plans' etc are conducted.
- Teachers also conduct demonstration lessons followed by a brain storming session. This helps in exchange of ideas and encourages creativity.
- Principal and the HOD's conduct model lessons to guide teachers.
- In house training sessions on ' Stress Management' 'Music Therapy', ' Meditation' ' Zumba Sessions' ' 'Laughter Therapy' are conducted to boost the sense of well-being among teachers.
