1 1/3rd sections may be used to run Senior Secondary classes and further increase shall be subjected to specific approval of the Board on the basis of the request of the school as per affiliation by laws.

The total number of section of the school shall be restricted to 37 (as per prescribed dimension) as per number of sections reported at the time of inspection. The total number of sections taken together for classes XI and XII should not be more than 1/3 of total number of section allowed. Further, increase of section shall be subject to specific approval of the Board on the basis of the request of the school as per affiliation by e laws and subject to the availability of room size of greater than 500 sq ft.

3	The school has shown a ramp at the side entrance of the building. The school shall construct a ramp at the main entrance of the school, in keeping with the principle of inclusive education, as well as on the way to the sports field which is seen at a lower level from the school building and submit compliance on SARAS within 3 months.
4	As per IC report, the Maths lab is undersized. No separate reading area for staff is seen in the library. The school shall upgrade its lab and library as per SoPs issued by the board and submit compliance within 3 months on SARAS.
5	Failure to submit compliance for the above mentioned points within the prescribed time shall invite financial penalty against the school.
6	The school shall conduct training of its teachers with CoE Pune within 3 months and submit compliance on SARAS.
7	The school shall get all the mandatory certificates renewed periodically.
